MY DRIVING TEST / REVISION SERIES

ADI Learner Readiness Pack

A reusable coaching worksheet for a mock drive, the next lesson plan and local route practice.

COACHING RESOURCE - NOT AN OFFICIAL RSA MARKING SHEET

Use this pack to turn a pre-test drive into two or three clear next actions. It does not replace RSA fault-marking guidance or the professional judgement of an Approved Driving Instructor.

Learner		Test centre	
Date		Test date	
Vehicle		Transmission	

READINESS AREA	CONSISTENT	NEEDS PRACTICE	ONE OBSERVATION
Observation	☐	☐	
Position	☐	☐	
Progress	☐	☐	
Reaction / hazards	☐	☐	
Vehicle controls	☐	☐	
Manoeuvres	☐	☐	
Rules / signs	☐	☐	
Test-day readiness	☐	☐	

Turn observations into a focused next lesson.

Record patterns, not every imperfect moment. Keep the learner's next actions specific and observable.

DRIVE SEGMENT	WHAT WAS CONSISTENT?	WHAT REPEATED?
Move-off and first 10 minutes		
Junctions and turns		
Roundabouts / lane choice		
Residential roads / parked cars		
Manoeuvre and recovery		
Independent drive / return		

The next seven days.

Choose a small number of actions that can be checked on the next drive.
